

**Request to the Board of Directors  
For Landscape Improvements or Home Improvements on  
Said Lots**

Improvements or Plantings I would like to make outside of the flower bed areas surrounding my home. \_

---

---

---

---

Please provide a sketch of the improvement or planting you would like to make. Identify your lot number (s) and location on the property. (Please attach a drawing to this application).

Contact a member of the board to do walk through of your proposal so they can share the info with other board members.

What is the expected height and width of your planting or improvement?
